*Light tomorrow with today!*

-Elizabeth Barrett Browning

Dear United Way Supporters,  
You have helped in mobilizing the caring power of our community as we ensure all who need help find it. Your willingness to give, advocate and volunteer through United Way of the Greater Triangle has allowed those who live and work among us to find ways to gain a solid foothold in their lives. With your help, United Way has laid a firm foundation for our community with the basic building blocks of education, income, health and safety.

The need is overwhelming. One of every four people in Durham, Johnston, Orange and Wake counties has reached out this past year for help from a social service program offered through our United Way of the Greater Triangle's partner agencies.

We thank you for your leadership in the community and for your generosity with your gifts in our 2009 United Way of the Greater Triangle campaign. Thank you for "lighting tomorrow with today"!

Sincerely,

**Craig Chancellor**  
President and CEO  
United Way of the Greater Triangle

Golden Corral Corporation

## **THE LEGACY SOCIETY**

The Legacy Society recognizes caring individuals and families who have made a planned or deferred gift from their will or estate plans to United Way. They have made known their wish to support the United Way's mission for future generations of Triangle area residents through a bequest, life insurance gift, or retirement plan beneficiary designation. We extend our heartfelt gratitude for their foresight to sustain their caring beyond their lifetime and ensure the well being of future residents for years to come.

# Tocqueville Society

The Tocqueville Society is named for French historian and author Alexis de Tocqueville who visited the United States in the 1820s and wrote the book "Democracy in America". He observed a people who confronted their problems and addressed them. Nearly two centuries later, visionary leaders in our community are using United Way to do the same thing.

Members are a special group of influential individuals who partner with United Way of the Greater Triangle to make our community strong, vibrant and healthy. Through their compassion and philanthropy, these individuals demonstrate exceptional generosity and leadership, and provide impetus for real change in Durham, Johnston, Orange and Wake Counties.

In 2009, Tocqueville Society members contributed nearly \$1.3 million to help fund local health and human service programs. Through unparalleled commitment, Society members reflect extraordinary concern, foresight and dedication to inspire a better way of life for everyone.

We are proud to recognize these local philanthropists who have contributed \$10,000 or more to United Way of the Greater Triangle in 2009:

# Women's Leadership Council

Women who contribute through the United Way of the Greater Triangle's Women's Leadership Council (WLC) are committed to its mission to inspire, celebrate, educate and engage women in philanthropy and community service to positively impact lives. More than 800 women have individually contributed at least \$1,200 or have a combined gift with their spouse of \$2,400 to the annual campaign. Last year, WLC members gave nearly \$1.4 million to support the United Way of the Greater Triangle women's work in the community. The WLC continues its focus on the issues and challenges facing middle school giving girls. We applaud their passion, caring spirit, and their action in leadership giving.

# Young Leaders Society

Young Leaders Society is a three-year old initiative within the United Way of the Greater Triangle that seeks to engage and develop young professionals under the age of 40. These vibrant Triangle area leaders are rapidly emerging as the new faces in philanthropy. They share a common interest in staying connected and getting involved in their community by partnering with United Way through their annual gifts of \$800 or more for donors ages 31-40. Supporters under age 30 become members with their gift of \$500 or more. The following donors are recognized for their support in creating a lasting positive impact in people's lives.

# Loyal Contributors Society

United Way of the Greater Triangle is honored to have many loyal friends who support the current and future needs of people in our community. These visionary leaders have consistently shared their time, their expertise and their contributions over many years to ensure that someone will always be there to help those who need it the most.

We applaud the following individuals who have donated to United Way for 25 years or more and who have told us of their commitment. If you have been giving to any United Way for 25 years or longer, please contact us at 463-5019 and let us know.
