

MEET XAVIER

United Way of the Greater Triangle
Serving Durham, Johnston, Orange, and Wake counties

He's headed to college soon. His paycheck helps cover household bills and buys his siblings' clothes and school supplies. He mentors young boys and he understands what it means to 'give back' to his community.

Life wasn't always bright for 18 year old Xavier. With his father in prison and his mother always working, Xavier had to take care of his four siblings. While his Mom found United Way partner agency programs to help with housing, food and utilities, Xavier wanted a safe place for his siblings to play, a part-time job, and help with school work.

Fortunately, Xavier found a United Way partner agency that met his needs. Xavier has held his job working with youth for two years. He was inducted into the National Honor Society at school. Xavier heads a student community service group and has been involved in the Triangle's MLK Day of Service as well as other volunteer projects.

Because of you, Xavier and his family, as well as many others, have found the path to turn their lives around. With your contribution to United Way, more people like Xavier will find the help they need to succeed!

WHEN WE LIVE UNITED WE CAN:

- Identify local needs.
- Build partnerships to address these needs.
- Ensure a good quality of life for all by strengthening the basic building blocks of education, income, health and safety.
- Invest wisely, through United Way, so we can make lasting changes.
- And most importantly, be sure that all who need help find it!
