

TOCQUEVILLE
SOCIETY

**Triangle United Way Tocqueville Society
The Challenge Grant Fund**

In 2007, Tocqueville Society members established a Challenge Grant Fund to encourage new membership in the Society. The Fund continues to match contributions from Triangle leaders joining the Tocqueville Society for the first time.

Through the Challenge Grant, participants are recognized as members of the Society at the \$10,000 level every year. In addition, participants will be invited to all Society events and programs.

This first-time membership program is a four-year plan that offers full Tocqueville Society membership to individuals that give at least \$5,000 in the first year, and commit to “step up” to reach \$10,000 within four years. At least 50% of member gifts must be designated to Triangle United Way. Here is how the program works:

The Challenge Grant Program
