## Decision-Making Matrix to Guide Selection of County Results

Target population (Part One)	Desired changes in the target population (Part One)	Who else considers this a priority? (Parts Two and Three)	Who else is funding this priority? (Part Two)	Are the current program results impacting this priority? (Part Four)	What new results are needed in order to create the change needed?

Target population (Part One)	Desired changes in the target population (Part One)	Who else considers this a priority? (Parts Two and Three)	Who else is funding this priority?
