Each year, more than **1 in 5** former foster youth will become homeless after age 18

## PATHWAYS TO PROGRESS: THE TWO-GENERATIONAL MODEL

The success of these young people is dependent on:

- A permanent adult to rely on and a family network
- Education and training that leads to stable employment
- Employment opportunities
- Safe, stable housing
- Health care
- State and local policies that promote these opportunities for success.

\*Non-Funded Partner

United Way of the Greater Triangle supports 17 Collaborative Partners focusing on Youth Success (Y), Early Childhood Success (E), and Stable Homes (S).

Together we are #getting2YES.
